

Now Enrolling

The FVMS Recorder Ensemble!

Ms. Sherri Seward, the music teacher, will be directing a recorder ensemble for all students in the ELEMENTARY classes! The class session will be held weekly at 2:35 on Tuesdays. The students will be learning beginning music skills by playing the recorder. The goal is for our students to grow to appreciate music by participating in a performing ensemble. The FVMS Recorder Ensemble will be performing at the Winter and Spring programs. Tuition for this class is \$40 per month which includes the lessons and music. Please complete the attached enrollment form and enclose the first month's payment (checks payable to Sherri Seward) and return it to the main office at FVMS.

If you have questions, please do not hesitate to call (630)896-7557 or email info@FVMS.org.
